

MINISTRY TEAMS

AT SONLIFE CHURCH

At Sonlife Church, we have many teams that provide numerous opportunities to contribute to the mission and vision. Below is a list of great teams that you could join.

ADMIN SUPPORT

God has given many in His church the gift of administration: a love for organisation and order, and developing and improving services. The Administration team supports other Sonlife teams with computer skills, data entry, bookkeeping etc.

ALPHA

The Alpha Course provides all who want to know more about Christianity a non-judgmental platform to ask questions. This team prepares for and hosts Alpha events at Sonlife, facilitating a welcoming and comfortable atmosphere for people to come to learn more about Christianity. It is extremely rewarding to be able to introduce people to Jesus, and how they can respond to Him.

AGAPE PROJECT

The Agape Project is an initiative, that has the heart to reach those who are less fortunate. The team aims to meet the needs of people with services such as food, clothing, and toiletries. The idea is to provide a meal and create a place where we share God's love through prayer, conversation and encouragement and provision.

COMMUNITY GROUPS

Community Groups are the heart of our church, allowing members to review our sermon messages. Connect Leaders facilitate Community Group meetings, building relationships, welcoming newcomers, and mentoring new leaders. They are called to disciple others, and to be a spiritual covering for those they lead. It is exciting to see people grow in the Lord and discover His purpose for their lives. Connect Leaders receive ongoing training and support while serving in this role.

COURSES

At Sonlife, we want to challenge people to grow in their faith and actively pursue an intimate relationship with Jesus, to mature as Christians. The Courses team provides leadership in running courses to supplement the weekly sermons. Ranging from marriage and parenting courses, to Bible study, to contemporary issues, these courses provide concentrated discipleship platforms to serve the community. The aim is for all to be discipled, and then in turn to disciple others. This team facilitates curriculum, registration and hospitality for all courses.

CREATIVE MINISTRY

The Creative Ministry uses lighting, audio, video and other elements to enhance the worship experience. Sonlife seeks for services that are seamless and contemporary, to aid the congregation in worshipping the Lord and hearing His voice.

DESIGN & EVENT DECOR

Our services and gatherings are enhanced by the gifts of our Design team. Whether it is creating brochures and invitations, printing posters, creating website graphics or setting up stage décor, every event is impacted by their service. These visual tools aid us in reaching the community, and enhance our weekly sermons.

HOSPITALITY & CAFE TEAM

At sonlife we love being social and serving great food as part of events. We have a dedicated team that helps with food preparation and serving. Our cafe team is well-trained and makes first class coffee!

LOGISTICS & WELCOME

Each Sunday, as well as during special events, the Logistics team facilitates set up and pack down of signage and equipment, parking, stage equipment and more.

The Welcome team desires for every person who attends Sonlife to feel like they belong. By welcoming people at the front door, seating visitors and providing conversation, we seek to demonstrate the love of the Father who welcomes all into His Kingdom.

MEN'S MINISTRY

This team is dedicated to the building of relationships among the men in the Sonlife community. In the Body we need the support of fellow Christians, and our Men's events foster discipleship through relationship building, fun activities, and outdoor recreation.

NEWS & VIDEO PRODUCTION

This team is committed to serving through their skills in video and presentation production. They support Sonlife ministries by producing promotional materials, church news, and more.

PHOTOGRAPHY

Using their giftings, our Photography team captures a visual record of what God is doing here at Sonlife church. Photographing baptisms, dedications, celebrations, testimonies and worship, this team helps us to remember and celebrate God's goodness to us. Skills and equipment to photograph indoors and within specific environment conditions are essential.

PRAYER

Prayer is a relational tool used by God to further His Kingdom. God chooses to partner with us through prayer in a ministry not limited by geographical boundaries. This team provides prayer covering for the services, teams and ministries at Sonlife, and for our missionaries. They also serve the Sonlife community by leading weekly prayer times and monthly SEEK meetings.

PROPERTY MAINTENANCE

This team ensures that the Sonlife facilities are stewarded well by creating and maintaining spaces for Gospel work to take place. If you have an eye for detail and are gifted with your hands, this is an excellent ministry for you.

SHINE WOMEN'S MINISTRY

The Shine ministry team is dedicated to serving the women of Sonlife through events such as breakfasts, crafternoons, adventure activities, demonstration workshops and teaching conferences. Whatever is trendy, builds relationships, and brings women together in closer, more dedicated relationships with the Lord, this team is into it!

SONLIFE KIDS

The Sonlife Kids team invests in the lives of children ages 2 through 11 by leading them in worship, teaching the Bible, small groups, and games. We desire each child to come to a deep understanding of God and devote their lives to honouring Him, knowing His love and forgiveness, and the path to salvation.

TINY TREASURES

Tiny Treasures is a weekly community playgroup. Serving the youngest members of our local community and their parents (and grandparents), it is a place of friendship, support, early learning skills and hospitality. Providing a respite from the pressures of life, this team seeks to introduce participants to a Christian community, and ultimately to Jesus Christ as their Lord and Saviour.

WORSHIP

The Worship team uses their musical gifts to create a powerful worship experience. Sonlife is a church devoted to honouring the Lord in worship and leading others into His presence through our regular Sunday services, as well as special events.

YOUNG ADULTS

Our Young Adults love hanging out together and learning more about the Lord they serve. Our team provides leadership for this through activities, worship evenings, retreats, food, fun and more. The Young Adults team supports our young adults as they establish themselves in their careers, relationships and spiritual journeys with the Lord.

YOUTH

The importance of discipling the next generation cannot be underestimated. The Youth team is dedicated to helping our young people grow in their relationship with God through small groups, camps, Sunday worship, teaching and service, and other activities.
